STATE OF MISSOURI

vs.

BUTLER, SAMUEL DETRICK

FILED
BOONE COUNTY

JUN 24 2013

CHRISTY BLAKEMORE
CLERK CIRCUIT COURT, COLUMBIA, MO

PROBABLE CAUSE STATEMENT

I, VOSS, JONATHAN R
knowing that false statements on this form are punishable by law,
state that the facts contained herein are true.

1. I have probable cause to believe that on 06/23/2013, at
21 CONLEY RD
BUTLER, SAMUEL DETRICK B/M
committed one or more criminal offense(s):
565.021 MURDER IN THE SECOND DEGREE

2. The facts supporting this belief are as follows:

On 06-23-2013 at 2308 hours Columbia Police were called to the area of 21 Conley Road, Columbia, Boone County, Missouri, for a report of an assault with a gun. The victim, Anthony Unger was found shot to death in a car on the parking lot there. Officers responding to the scene located Joycelynn Renee Brown, who told investigators in a post-Miranda interview she gave the victim a ride to this location so he could conduct a sale of controlled substances.

Brown said the victim had been in phone contact with a subject later identified as Samuel Detrick Butler, setting up the drug deal. Brown said she was called by the victim at approximately 2130 hours on 06-23-2013 and asked her to give him a ride to Columbia. Brown agreed, and picked the victim up from his residence. Brown said she witnessed the victim fill a large ziplock type bag with marijuana at his home, and place it under the hood of her car before the two left for Columbia, with the victim driving Brown's car. Brown said the victim told her he was selling one-half pound of marijuana for \$1400.00.

Brown said that when she and the victim were entering the city of Columbia, the victim told her he was meeting "DC". Brown said she has known the victim for approximately five years, and had seen "DC" with the victim in the past. Brown said she knew this subject only as "DC". Brown was later shown a photograph of Samuel Butler, and she positively identified him as being "DC".

Brown said she and the victim first met up with Butler and two other black males at the Hyvee store at 25 Conley Road. Butler got in the vehicle with the victim and Brown, and told them to follow the car he had arrived in to the parking lot of 21 Conley Road. Brown said that upon seeing the two other males with Butler, the victim said to Butler "Why didn't you get the money from him?...This better not be some hoe shit". Brown said Butler responded by saying "No, it's cool. He's my cousin", and "That's why I was letting you talk to him all day". The three (Brown, Butler, and the victim driving) immediately follow the black car containing two unknown black males to the parking lot of 21 Conley Road.

Once at the parking lot, the victim parks his car in the center isle of the parking lot. Brown said the black car was waiting in an adjacent parking lot.

the black car pulls up alongside of the the victim's car without delay. Butler got out of the vehicle the victim was driving, and got back into the black car. An unknown black male then got into the victim's vehicle that was still occupied by the victim and Brown.

Brown said the unknown male asked the victim "Do you got the shit?". The victim replied with "Do you got the money?". The unknown male said he had the money on him. The victim then got out of the car and retrieved a package of marijuana from under the hood of the car he was driving, and got back in to the driver's seat. The victim showed the male subject the marijuana. Brown said next the unknown male got out of the car, and back to the black car, briefly, and then got back in the car with her and the victim.

Brown said the unknown subject then displayed a handgun and told the victim "I need you to give it to me". Brown, upon seeing the gun and hearing the demand, exited the car and ran away. Brown heard several gunshots as she was running for a nearby grassy area. Moments later, after seeing the black car drive off, Brown returned to the car and found the victim bleeding and unresponsive.

3. For the issuance of a warrant in a misdemeanor case, complete the following
